BIO

DJ EASY

Elijah Sanabria known as DJ Easy is a NYC-born, DMV-based DJ, host, and entertainer with more than a decade of experience creating unforgettable experiences through music. Easy has become one of the region's most versatile open-format DJs, performing everywhere from nightlife events and festivals to luxury weddings and corporate activations as well as providing the soundtrack in arenas as an in-game DJ at the collegiate level.

His ability to read a room, command a microphone, and seamlessly blend Hip-Hop, R&B, Pop, Top 40, EDM/House, Reggaeton, Afrobeats, Dancehall, Latin, and international sounds has made him a sought-after talent across the country. In 2024, he became the Official DJ for George Mason University Basketball while also getting the call to perform at marquee events including the National Puerto Rican Day Parade, 9AM Banger, and Yo Quiero Bailar Festival.

Easy has worked with brands including Under Armour, Macy's, Orangetheory Fitness, F45, Academy Sports + Outdoors, Live! Casino & Hotel, and the Rock 'n' Roll Marathon, and has shared stages with Grammy award winning and nominated artists including DJ Drama, Wale, Shy Glizzy, PnB Rock, JT from the City Girls and indie pop band, The Aces.

Whether performing for thousands or an intimate audience, DJ Easy brings the "Easy Effect" to every event—delivering the right energy at the right moment.
